Dear Friends,

Thank you for your gift of \$2,136.52 on 12/31/2010 to amfAR, The Foundation for AIDS Research, in loving memory of Freddie Mercury. We are grateful for this contribution, which is both a thoughtful tribute and a meaningful vote of confidence in our lifesaving work.

Since 1985, amfAR has invested nearly \$325 million in its mission and has awarded grants to more than 2,000 research teams worldwide. Today it continues, as leader in the field, to address and advance the most pressing HIV/AIDS research, policy, and advocacy issues.

Because of your support, amfAR has helped extend, improve, and save the lives of countless people around the world. On behalf of our Board of Trustees and staff, thank you again for your exceptional commitment to our cause.

Yours sincerely,

Kevin Robert Frost
Chief Executive Officer
